

Sala gimnastyczna do rozbiorki - widok z boku

This architectural drawing shows the side elevation of a gymnasium. The main structure is a long, rectangular building with a flat roof. It features five tall, narrow, multi-paned windows arranged horizontally. To the left of the main building is a lower section with a set of stairs leading up to a small entrance. To the right is a smaller, two-story section with two small windows and a set of stairs. Dimensions are indicated: a height of 480 on the left, a height of 829 for the main building, and a total width of 3504 at the bottom.

Architectural floor plan of a building with multiple rooms and corridors. The plan includes dimensions for walls, openings, and areas. Key areas are labeled with their power (pow.) in m²: 21.9, 44.0, 239.9, 8.7, 5.8, 21.0, and 3.2. The plan also shows various structural elements like columns, beams, and stairs. The overall dimensions are 788x2305 on the left and 395x2305 on the right. The plan is oriented with a north arrow pointing towards the top right.
